PROBLEMS OF THE RETURNED SOLDIER

Address by S. G. Pelley.
A well-attended meeting of Strathmore G.W.V.A. was held in the Oddfellows' Hall on Tuesday evening last, when comrade S. G. Pelley, Secretary of Calgary G.W.V.A., dealt with the Great War Veterans Provincial Convention held at Medicine Hat last month.
Strathmore G.W.V.A. had appointed a delegate to the Convention, but owing to circumstances over which he had no control neither he nor any other member of the branch could attend, so the branch elected S. G. Pelley to give them his impressions of the convention.
The convention, Mr. Pelley said, was a very interesting one, and a great deal of useful work was accomplished. The veterans now had a provincial membership of over 15,000, and there were sixty delegates in attendance representing this membership.
The reports presented to the convention, said comrade Pelley, showed that a great amount of useful work had been done by the Provincial Command in the year 1920, and various measures had been brought into effect by parliament, largely through the representations made by the G.W.V.A.
They were not extremists, but a sane organization, but they had accomplished a great deal more for the returned soldier than would ever have been accomplished by any other organization.
G.W.V.A. had done a large amount of relief work for returned soldiers, their dependents during the war, and during the present winter it really could have done more than that, but it could not.
There were a number of returned soldiers who succeeded in obtaining pensions for their dependents during the war, but they were directing their efforts to increasing these pensions until they could be said to be right. They wanted equality of pensions and on a dollar basis, that is, a veteran with a thirty per cent disability would be paid \$20 per month, and one with a hundred per cent disability \$40 per month.
Mr. Pelley dealt with a number of other questions affecting the returned soldiers, including insurance, employment etc. He advised against the G.W.V.A. trying itself up as a body of any political party, but that they should leave themselves free to support the man whom they considered was the best man for their interests and for those of the country.
At the close Comrade Pelley unveiled a number of questions regarding various problems of soldier rehabilitation, and was accorded a hearty vote of thanks.
Light refreshments were then served, which marked the close of a very instructive evening for the veterans present.

An egg shower was held at the June meeting for the winter supply at the Hospital, resulting in 56 shares and a jelly and Preserve shower was held for the hospital in November, when 24 jars of fruit were secured, and a splendid stretcher was presented to the hospital.
The Institute has 26 earnest members. The sick were visited and a Constitution Conference was held in August, at which four out of the five Institutes of the Gleichen constituency were presented.
Mrs. A. D. ASHLEY, Retiring Secretary-Treasurer.

HOCKEY NOTES

The hockey season is now in full swing throughout the district, and more interest is being manifested than for several winters past.
A Bow Valley League was formed last week, with Strathmore, Gleichen and Bassano as the competing schools, and the schedule for January has been announced, and is published herewith.
In addition Rockford and Nightingale have good teams, so that it is expected the Big Three there will be other good games to fill in the blanks.
The Schedule
Strathmore at Gleichen, Jan. 1.
Gleichen at Strathmore, Jan. 8.
Gleichen at Bassano, Jan. 15.
Bassano at Gleichen, Jan. 21.
Strathmore at Bassano, Jan. 25.
Gleichen Draws First Blood
The first game of the schedule was played at Gleichen on New Year's Day, Gleichen emerging victors over Strathmore after a keen and hard fought game, the final score being 12-6 in favor of the home team. There was a big crowd present and the game was well played all the way through. The Strathmore players held their own throughout.
Gleichen scored two goals in the first period, and Strathmore one, so the second period was scoreless. In the third period Gleichen again scored two and Strathmore one. The Strathmore goalkeepers were Whyte and Colleton. Whyte, Welch and the Strathmore defence, gave an interesting and seven minute interlude.
Strathmore team was as follows: Smith, goal; Way, point; Stott, coverpoint; Colleton, rover; Welch, center; Gray, right wing; White, left wing; Gannon, coverpoint; Tompkins, spare.

Gleichen Plays Here January 8th
Formation of League
Last Wednesday night a meeting was held in the Palace Hotel at Gleichen for the formation of a hockey league to consist of the towns of Bassano, Strathmore and Gleichen. Delegates were present from each of these towns and an organization was formed and named after the old league of bygone years, the Bow Valley Hockey League.
An election of officers to conduct the business affairs of the League took place and resulted in Mr. L. M. Webster of Gleichen being elected President, Mr. Milroy of Bassano, Vice-President and Mr. P. Andrews of Strathmore, Secretary.

Telephone Delays

Some time ago we announced that the strength of insurance given by the superintendent of the district, and also by the department at Edmonton, to the Secretary of Bow Valley Municipality, that a phone line would be installed in the early part of the winter running south through Councilman's territory, and also one running north through, Anderson and Nightingale districts.
So far the only thing that has been done is that the telephone representative has collected installation fees and one month's rental from the people along the line. The line promised to be built through Mr. Groves' district, and work has not been started in the other lines promised.
A strong representation is being addressed to Edmonton from Bow Valley Municipality, and it is hoped that the department will soon implement their promises.

NEW TOWN COUNCIL MEETS

Proposal to Buy Power From Calgary

The first meeting of the new Town Council, as called for by the statutes, was held on the first Monday in January, all the Council being present with the exception of Councillor Taylor.
The new Mayor and Council were sworn in by ex-Mayor Lambert. Following on this ceremony Mr. Lambert advised the new Mayor and Council they were successful, and said that he would take an active interest in the welfare of the town, and would be at the disposal of the new Council in any way he could help.
Mayor D. P. Butler responded thanking Mr. Lambert, and paid a tribute to him for his painstaking work in the interests of the town since he had been a resident of it.

Appointment of Committees

Committees for the coming year were appointed as follows:
Finance, Police and License, Legislative-Councillors: W. M. Marshall, H. F. Tompkins, and John Taylor.
Fire and Light, Public Works, Property—H. J. Anderson, J. A. French, F. W. B. Bell.

Councillor Marshall was appointed Deputy Mayor for the first three months of 1921.

Electric Light

Councillor Bell reported that he had interviewed Mr. Brown, Engineer, Calgary, re getting a service of electric light from Calgary, and that they would have an estimate forward in a few days.

Wind-Up Meeting

The 1920 Council held two special meetings in the last week of the old year, one on December 28th, and one on December 31st. The business was the arranging of a credit to carry the town over for the New Year, and balance the Sinking Fund, the bank having stated that it was too close to the end of the year for them to make a credit. One of the Council relieved the situation by loaning the town the amount necessary, \$1125.

The Council decided to take distress proceedings for all taxes in arrears after the end of December, as it was stated that there was a lot of money lying out that ought to be paid in.

Namaka Notes

New Year festivities included the dance in the Oddfellows' Hall, which was fairly well attended.
A jolly company of old country folks spent the last night of the year at the home of Mr. and Mrs. C. W. Watson. The party spent the evening with cards and brought in the new year with song and story.
Mr. and Mrs. H. R. Thomas entertained a number of their friends to dinner on New Year's day.
Namaka division of the municipality have to elect one Councillor and two school trustees. What about it? It is up to our public spirited citizens to get off their coats and attend to their interests.
The educational question is one which will have to be tackled in a broad manner as the present school seems to have served its day and generation.
Mr. Sanderson has resigned for appointment as teacher and Mrs. McCrea has been appointed to the vacancy.
Miss Clara Cherry, formerly of Namaka Park, and Mr. D. Shugart were married at Chesham, Miss Cherry's friends were very anxious to see the bride, who is a sister of the right of opportunity, cheerfulness and business efficiency, giving the following formula success: "Faith in proportion to chance in which you increase the amount of your efforts."
IN THE ESTATE OF WILLIAM OLMOND, a person whose whereabouts are unknown and last heard of on the 28th day of June, 1912, at Vancouver, in the Province of British Columbia.
NOTICE is hereby given that all persons having claims upon the estate of the above named William Olmond, who has been missing since the 28th day of June, 1912, are required to file with the Official Guardian's Government Building, Edmonton, by the 12th day of February, A.D. 1921, a full statement fully verified, of their claims and of any securities held by them, and after that date the Administrator will distribute the assets of the said missing person among the parties entitled thereto having regard only to the claims of which notice has been so filed, or which have been brought to his knowledge.
DATED this 28th day of December, A.D. 1920.
A. G. BROWNING, Administrator and Official Guardian, Government Building, Edmonton, Alberta.

LUMBERING IN NORTHERN ONTARIO

Nightingale Wins
A hockey game was played between Valley Gardens and Nightingale at Nightingale on Sunday last, resulting in a win for Nightingale. Three games are to be played in this series, the team which loses two having to play for a turkey supper. Nightingale are in high hopes of enjoying a free supper. The next game is to be played today, January 5th.
Rockford scored off Nightingale on Saturday at a game held on the Nightingale rink.
In looking over the names of the officers there is no doubt that with such a number of men to conduct the affairs of the League it is bound to be a great success.
Hockey fans in the district will be very much pleased to learn that hockey affairs are going to be alive again this season. The hearty support of the fans is hoped for by the hockey clubs of the league as in order to successfully run the business of the League and expand will have to be on hand for each game to meet expenses connected therewith.

PAPER ONE YEAR FREE

By a very fortunate arrangement we are able to offer the Strathmore Standard and the Canadian Power Farmer, both for one year for the same or different addresses, for \$2.00, the price of the Standard alone. This applies to both new subscriptions and renewals. No matter to what date your Standard is sent for, if you wish the other paper send us \$2.00 and your time will be extended a year for the Standard, and the other paper will go a year absolutely free to any address in Canada. The Canadian Power Farmer, of Winnipeg, is an exceptionally good monthly agricultural paper of 70 or 80 pages, and we commend it unreservedly to Standard readers. You want the Standard, anyway, so get two papers for the price of one—\$2.50 worth for \$2.00.

SOMETHING NEW FOR THE LADIES

Just think! A real live fox for a neck scarf. This is a fact, not an uncommon sight at the big International Silver Fox Exhibition in Montreal last week. The lady here has a genuine silver fox cross of her neck, and judging from appearances the fox seems quite reconciled to being used for such a novel purpose.

FEDERAL CABINET MAY STOP TRADE FEBRUARY 1.

OTTAWA, Dec. 27.—The allday date for Manitoba, Saskatchewan and Nova Scotia will probably be decided today. A special meeting of cabinet council is being held prior to the departure of the prime minister for the west and the allday consultation for the provinces was closed. It is understood, it is the main business for consideration. The date to close the coming year after all dry law is said to be February 1. The case of Alberta which also is likely at the same time as Manitoba, Saskatchewan and Nova Scotia will probably be decided today. A couple of official returns are still waiting from Alberta. They may arrive during the day and should they do so the allday date for Alberta will also be considered.

There is also some doubt if the documents will arrive in time for consideration at today's meeting of the cabinet council. After the allday date is fixed in the four provinces, legislation in their territory of alcohol liquor except insofar as is permitted under

provincial law will be predicted. Any infraction of the law in this regard imposes penalty to a fine for the first offence of not less than \$250 and not more than \$1,000, in default of payment to imprisonment for not less than three months and not more than six months, and for each subsequent offence to imprisonment for any term not less than six months and not more than twelve months.

The Manitoba Government is unable to put into effect amendments to the Temperance act passed at the last session of the legislature, owing to delay on the part of federal authorities. Hon. T. H. Johnson, attorney general, said to day.

"We have heard no more from Ottawa than has appeared in telegraph dispatches," he said, referring to a statement concerning from Ottawa that all returns had been received from the revenue officers.

Mr. Johnson said the government proposed to establish its wholesale liquor depot at Winnipeg in future was intended for economy of administration and centralization of distribution.

FUNERAL OF MR. JAMES ROSS

The funeral of the late Mr. James

Ross, who died suddenly at the C.P.R. Irrigation Headquarters, as reported in last issue, took place at Chase's Funeral Parlor by Rev. Canon Montgomery, following which interment took place in Strathmore Cemetery.

There was a large attendance of mourners. The C.P.R. employees contributed a large beautiful wreath, and Mr. and Mrs. T. Robertson who had a beautiful cove.

Mr. Robertson is a son-in-law of the deceased Mr. Ross. Mrs. Robertson being an only daughter. They reside in Duncan, B.C.

The arrangements of the ceremony were supervised by Mr. C. W. Chase.

As a class, farmers are not financially sound. They are largely because there has heretofore been no complete method so simple that the ordinary man could follow it, and so for keeping accurate track of their operations.

Ross's Simplified Accounting System for Farmers shows the need of the farmer to have a complete record of every branch of work on five years—include a detailed inventory which will be accepted by any bank.

A company of over 200 ladies and gentlemen saw the New Year in at a dance held at the Opera House on Friday evening under the auspices of the Southern G.W.V.A. and Ladies Auxiliary.

Music was provided by HIR's Calvary Orchestra, and a very enjoyable evening was spent.

At midnight the stage curtains went up, and a beautiful tableau, representing the departure of 1921 and the coming of 1922 was unveiled. It made a very pretty effect, and credit is due to all concerned, and the incoming of the new year, and Miss Edith Martin that of the outgoing New Year. The entire company sang a song in the singing of Auld Lang Syne.

Mr. Harry Vickers performed the duties of M.C. with his customary aplomb.

The supper, which was provided by the Ladies Auxiliary of the G.W.V.A. was a first-class one, and the ladies were complimented on the way in which they met the needs of the crowd.

As a result of urgent representation, the dance was continued past the customary three o'clock hour, an hour and a half further into the New Year. The members of the Ladies Auxiliary of the G.W.V.A. wish to thank through our columns all who provided refreshments or in other ways helped to make the New Year's Dance a success.

All up-to-date drug stores to be opened at Carleton Place this week by W. M. Marshall. It will be a branch of the local Rexall store, and the same business principles will be exhibited as have characterized the local store in the past. Mr. Cecil Stevens, of Calgary, who is a qualified man, has been engaged to manage this business. He is a returned veteran of the Great War, having seen overseas service for three years. His experience in the drug business covers several years, in the Province of New Brunswick, as well as in the west. It is the intention of the management of this new store to endeavor at all times to merit the patronage of the people of Carleton Place and district.

The two keys to success are luck and pluck—luck in finding some one to pluck—Life.

Mr. Herb Harmer, junior of the The Baseball Club are repeating their entertainment, "Safety First" next Friday at 8:20. Numbers of people who were unable to witness this show before, have requested that it be put on again, and this, coupled with the fact that the Baseball Club is in urgent need of money, led the management to ask those who kindly put this on before to do so again.

It had been the intention to take this entertainment to one or two nearby towns, and the show will be given at Delmore Thursday. The management therefore would ask for the support of everyone, and thus help in putting the Ball Club on a good financial basis.

Nurse Williams of Strathmore Hospital, very kindly entertained thirty children of the town at a Xmas Tree held in the Hospital on New Year's day. All of the children received delightful and valuable presents from Santa Claus, represented by Mr. Ted Saunders. A number of the grown-ups were also the recipients of gifts of groceries. Nurse Williams has been in the habit of giving this Xmas Tree to the children for several years past, and her kindness in so doing is very much appreciated, both by the children and their parents.

NEXT WAR TALK

His late father, the well-known English writer, has offered to let money that there will be no "next war." "I am prepared," he says, to offer heavy odds that there will not be another great European war like the last." His reasons are not given in the dispatch, but it comes as a refreshing relief to find that one prominent public man who has not made up his mind that we have still another Armageddon, as it were, Mr. Dehler's belief that there will be no next war should be encouraged. If the people of the various countries as well as the leaders for great international wars can be written off the page of a nation's history.

With the world still in a state of demoralization from the blood and death during the war of 1914, it is rather baffling, says the *Albion Press*, to find so much talk of the "next war" in the mouths of prominent men and in widely circulated publications. The one convincing lesson of the last war was that there should be no more wars; the toll of blood and blood, the physical suffering, the destruction of life were too terrible, it might have been thought, to shock the intelligence of civilized men into a thoroughgoing repudiation of war; but this has not been the case, and various gentlemen are gravely discussing the merits of this, several hypotheses, and other fatalistic postulates in relation to the next great international conflict.

The cost of the last war in blood and treasure was so enormous that the demand for a League of Nations to keep the peace, now he said to have arisen out of the carnage of the battlefields. Another such war would finish our civilization off and in international organization to keep the economic and industrial situation of the existing international situation as it is on the grounds of common humanity.

The fact mentioned to prophets of "the next war" is that physically another such war is almost impossible. Some things came to the world and the fate was one of them. Unless the civilized races are prepared to commit suicide, the world is pretty safe in offering long odds against the "next war" ever becoming a reality.

SUNDAY, JANUARY 9th

At the annual conference of the Social Service Council of Alberta held in Calgary recently it was decided to hold a general Thanksgiving Sunday throughout the Province, when special thanks to Almighty God could be given for the splendid victory at the poll on October 25th.

A committee was appointed in charge of the day.

This committee met in the Provincial office of the Council, 714 Taylor Block, Edmonton, Tuesday afternoon and decided on Sunday, January 9th.

Notices have been sent to all Christian churches and invited throughout the Province asking that the day be generally observed.

THE COST OF LIVING

The cost of meat went soaring up. To figure that better, Till Jones upon his table had A substitute for beef. The prices of clothes went soaring up. Of tomatoes died a fall, And Jones upon his back Wore a substitute for wool. At last poor Jones went soaring up and found exceeding well: "Come on," they said, "for you have had Your substitute for hell."

Christmas at Berta Vale

The School Concert and Christmas Tree held at Berta Vale School on Tuesday last was a great success, principally through the energy and hard work of the teachers, Mr. Boortz, who is to be congratulated on the way in which he organized the work, also Mr. and Mrs. Hittle and the Harry boys, who furnished the orchestra. Presents were distributed to the children by Santa Claus, admirably impersonated by Mr. Tom Barry.

In behalf of those present I take pleasure in commending the concert and pupils of the Berta Vale school for the splendid program rendered Tuesday, December 28th.

Christmas Tree was exhibited and Santa Claus treated nuts, candy, apples, oranges and other presents to about forty children.

After the program a goodly number of adults enjoyed themselves in dancing till about 1 a.m. A generous lunch was served by the ladies to which thanks are due to the donors. We have a growing spirit of cooperation in our community and let us hope it will "carry on" and make Berta Vale a social center.

Our school is in need of several things of which lights and a musical instrument may be especially mentioned. We aim to hold a few entertainments during this coming year to the purpose of raising funds to meet some of these needs.

A report of the school attendance will be published in next issue.

The whole program was a great credit to the children and their teachers, Miss D. Jessup.

After the program an excellent feast of cakes, fruit and tea was served, followed by games and music until about 6 p.m. when the sound of sleigh bells was heard and Santa Claus arrived. He distributed presents, also nuts and candy and oranges amongst the children of the district and then departed after making the numerous promises to come again next year. Games and dancing was then continued until 1 a.m. The music was kindly contributed by Mr. and Mrs. Lounsbury. During the evening Mr. Thurston introduced his troupe of Grand Old Ringers.

It was arranged to hold a social evening on Friday December 31st at 7 p.m. with the idea of forming a Social Club in the district to meet one evening a week at the school house during the winter.
